Assemble the universal tablet mount

1. To open the clamp, turn the knob on the clamp (**1**) to the left.

2. Open the clamp to the thickness of the table or desk that you will be attaching the tablet mount to.

3. Slide the clamp (**1**) over the edge of the table or desk and turn the knob on the clamp to the right to tighten the clamp. Keep turning the knob until the clamp is tightly attached to the table or desk.

4. Slide the end of the gooseneck arm (**2**) over the bolt on the clamp (**1**) and turn the arm to the right to tighten it.

5. With the tablet screen facing upwards, slide one of the long sides of the tablet into one of the retractable brackets on the tablet holder (**3**).
6. Pull out the other retractable bracket to open it up and place the bracket claw over the other side of the tablet. Gently release the bracket.
Caution! Make sure that the tablet is securely fixed into the tablet holder (**3**) before you proceed to the next step and attach the tablet holder to the gooseneck arm (**2**).

7. Press and hold the buttons on either side of the attachment at the end of the gooseneck arm (**2**).

8. Align the tablet holder (**3**) with the attachment on the gooseneck arm and release the buttons.
Remove the tablet from the tablet arm

1. Hold the tablet holder (**3**) while you press and hold the buttons on either side of the attachment at the end of the gooseneck arm (**2**).

Warning! Make sure that you have a secure hold on the tablet holder before you press the buttons.

2. Pull the tablet holder off of the gooseneck arm and release the buttons that you were pressing.

3. Pull one of the retractable brackets away from the side of the tablet.

4. Slide the tablet out from under the retractable bracket and pull it free from the tablet holder.

Adjusting the gooseneck tablet holder

The gooseneck arm (**2**) on the tablet holder can move 360 degrees in any direction. To position the arm, simply move it where you want it to go.

The tablet holder (**3**) moves in 90 degree increments in either direction, so the tablet can be in either landscape or portrait position. To move the tablet holder, grasp the side of the tablet and move it in the direction that you want it to go in. When you have moved the tablet holder 90 degrees, you will hear a click to indicate that the tablet holder is in place.

The tablet holder also swivels up to 180 degrees. To move the tablet holder, grasp the side of the tablet and swivel it to the position that you want it to be in.

Warranty information

This product is backed by a two-year warranty.

StarTech.com warrants its products against defects in materials and workmanship for the periods noted, following the initial date of purchase. During this period, the products may be returned for repair, or replacement with equivalent products at our discretion. The warranty covers parts and labor costs only. StarTech.com does not warrant its products from defects or damages arising from misuse, abuse, alteration, or normal wear and tear.

Limitation of liability

In no event shall the liability of StarTech.com Ltd. and StarTech.com USA LLP (or their officers, directors, employees or agents) for any damages (whether direct or indirect, special, punitive, incidental, consequential, or otherwise), loss of profits, loss of business, or any pecuniary loss, arising out of or related to the use of the product exceed the actual price paid for the product. Some states do not allow the exclusion or limitation of incidental or consequential damages. If such laws apply, the limitations or exclusions contained in this statement may not apply to you.
