

NVIDIA Quadro K2200 4GB Graphics Card

Deliver exceptional power-efficient 3D application performance with the NVIDIA® Quadro® K2200 graphics card. It's an excellent choice for working with large, complex models in product development and creative content applications.

ISV certifications and solid performance.

- Easily support your professional software application base with comprehensive ISV certifications. Enjoy fast performance from 4 GB of GDDR5 GPU memory that allows for fluid manipulation of large models.

Open doors for GPU computing.

- Accelerate many CUDA-enabled professional applications with 640 CUDA parallel processing cores and GPU computing in a single slot sub-75W graphics card.

Flexible and easy display management.

- Drive ultra-high display resolutions like 4096 x 2160 @ 60 Hz with 30-bit color using a new display engine and DisplayPort 1.2. Easily manage up to three displays with NVIDIA® Mosaic and NVIDIA® nView® technologies.
